Current Opportunities

1.0 FTE – Permanent

2.0 FTE – Contract until December 2023

The goal of School Based Rehabilitation Services (SBRS) SLP is to provide support to children and youth to fully participate in school curriculum and school-based activities, in publicly funded schools. In consultation with the school team, the SLP will provide speech assessment, goal setting and intervention to enhance the communication skills of school-aged children in partnership with their families, publicly funded schools, and community. SLP will provide a broad range of speech services, which may focus on articulation/phonology, fluency, voice and feeding disorders

Qualifications:

Master's degree of Speech-Language Pathology; registration with the College of Audiologists and Speech-Language Pathologists of Ontario; proven ability and willingness to work as an integral member of a team, excellent oral and written communication skills; computer skills and strong time management skills. Ability to work independently with little direction, self-motivated and demonstrate initiative. Experience with children who have a variety of developmental, physical and communicative disorders and who have alternate and augmentative communication needs and/or feeding/swallowing needs. Experience specifically with school-aged clients is an asset. Excellent organizing, coordinating and managing the program demands in a fast-paced environment. High levels of attention to detail and confidentiality. Knowledge of Goldcare or other electronic charting software an asset. Proficiency in MS Office and data entry. Demonstrated consultation and problem solving skills. Additional training in articulation, motor speech, voice and feeding and fluency disorders is an asset. Bilingual in French and English is an asset. Standard First Aid and CPR is an asset. Travel is required for these roles. You must have access to a reliable vehicle with public liability/property damage coverage.
