

**Internal & External posting**

**August 30, 2021**

KidsAbility empowers children and youth with special needs to realize their full potential.

**Physiotherapist (PT) – 1.0 FTE**  
**Early Years Program and School Based Rehabilitation Services**  
**Commencing ASAP**  
**Sites: Multiple**

OPSEU 258 salary range for Physiotherapists is \$36.28 to \$41.57 per hour

KidsAbility is an equal opportunity employer that is dedicated to over 60 years of proven community outreach and servicing of families across the Waterloo and Guelph Wellington Regions. With core values such as collaboration, respect, accountability, integrity and inclusion, KidsAbility offers employees:

- Access to Employee Assistance Programs that include corporate discounts on travel, gift cards, and events
- Organizational transparency on missions, visions and future development
- Social Events and opportunities to give back to your community

There is an opportunity for a 1.0 FTE within the Physiotherapy discipline supporting the Early Years program and School Based Rehabilitation Services across multiple sites, taking direction from the Clinical Manager and Program Manager. As a member of an interdisciplinary team, you work to enhance the physical skills and functioning level of clients in partnership with their families, and the community.

The Early Years Program provides assessment and intervention for children birth to school entry, individually or in groups, program development and consultation for a wide variety of children with neurological, musculoskeletal and developmental concerns.

The School Based Rehabilitation Services (SBRS) PT is to provide support to children and youth to fully access and participate in school curriculum and school based activities, in publicly funded schools by providing support with a variety of disabilities to maximize their physical skills and functioning level. In consultation with the school team, the PT will provide assessment, goal setting and intervention, client reviews, adaptations/ accommodations and equipment recommendations to school-aged children in partnership with their families, publicly funded schools and community.

**Qualifications:**

You must be a Graduate of an accredited program in Physiotherapy; registration with the College of Physiotherapists of Ontario; proven ability and willingness to work as an integral member of a team, excellent oral and written communication skills; computer skills and strong time management skills. Ability to work independently with little direction, self-motivated and demonstrate initiative. Experience with children who have a variety of developmental, physical and communicative disorders. Demonstrated consultation and problem solving skills. Excellent organizing, coordinating and managing the program demands in a fast paced environment. High levels of attention to detail and confidentiality. Knowledge of Goldcare or other electronic charting software an asset. Experience prescribing equipment through the ADP program is an asset. Proficiency in MS Office and data entry. Standard First Aid and CPR is an asset. Travel is required for these roles. You must have access to a reliable vehicle with public liability/property damage coverage.

Interested applicants should submit a cover letter and resume, only if you have the stated requirements, by end of day **September 9, 2021** to:

**Human Resources**
