Independent Auditor's Report

To the Board of Directors of KidsAbility Centre for Child Development Foundation

Qualified Opinion

We have audited the financial statements of KidsAbility Centre for Child Development Foundation (the "Entity"), which comprise the statement of financial position as at March 31, 2020, the statements of operations, changes in fund balances and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at March 31, 2020, and its results of operations, changes in fund balances and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the Entity derives revenue from fundraising activities the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Entity. Therefore, we were not able to determine whether any adjustments might be necessary to fundraising revenue, excess of revenues over expenses, and cash flows from operations for the years ended March 31, 2020 and 2019, current assets as at March 31, 2020 and 2019, and fund balances as at April 1 and March 31 for both the 2020 and 2019 years. Our audit opinion on the financial statements for the year ended March 31, 2020 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 2 to the financial statements, which explains that certain comparative information presented for the year ended March 31, 2019 has been restated due to a change in accounting policy. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

KidsAbility Centre for Child Development Foundation

Notes to Financial Statements

March 31, 2020

1 . Summary of Significant Accounting Policies

Nature and Purpose of Organization	<p>The primary purpose of KidsAbility Centre for Child Development Foundation ("the Foundation") is to raise, maintain and administer the funds of the Foundation in order to support children and young adults with physical, developmental and communication disabilities in Waterloo Region and Wellington County through, among others, supporting the work of KidsAbility Centre for Child Development. Some bequests made to KidsAbility Centre for Child Development are transferred to the Foundation and, at the discretion of the board of directors, are either internally restricted or specifically designated.</p> <p>The Foundation is a registered charity under the Income Tax Act and is therefore exempt from income taxes.</p>
Basis of Accounting	<p>The financial statements have been prepared using Canadian accounting standards for not-for-profit organizations (ASNPO).</p>
Fund Accounting	<p>The Foundation follows the restricted fund method of accounting for contributions.</p> <p>The Operating Fund reflects the activities related to donations received, payments made, and operating expenses incurred for the betterment of the KidsAbility Centre for Child Development.</p> <p>The Internally Restricted Fund, Income Stabilization Fund and Externally Restricted Endowment Fund represents a pool of restricted assets used to generate investment income, which in turn is used to support donations made to KidsAbility Centre for Child Development. Unrealized gains and losses and realized gains and losses are allocated to the appropriate fund when earned.</p>
Revenue Recognition	<p>Restricted contributions are recognized as revenue of the appropriate restricted fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. However, if no appropriate restricted fund is presented, then the restricted contribution is recognized as revenue of the Operating Fund. Other restricted contributions are recognized in the Operating Fund as deferred contributions until the restrictions have been satisfied.</p> <p>Unrestricted contributions are recognized as revenue of the Operating Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.</p>

KidsAbility Centre for Child Development Foundation

Notes to Financial Statements

March 31, 2020

1. Summary of Significant Accounting Policies (continued)

Financial Instruments	Financial Instruments are recorded at fair value at initial recognition. In subsequent periods, equities traded in an active market and derivatives are reported at fair value, with any change in fair value reported in income. All other financial instruments are reported at cost or amortized cost less impairment. Transaction costs on the acquisition, sale or issue of financial instruments are expensed for those items measured at fair value and charged to the financial instrument for those measured at amortized cost.
Contributed Materials and Services	<p>In-kind donations of supplies and services used in the normal course of operations are recorded as revenue and expense at fair value, when documentation to support the value is available.</p> <p>Volunteers contribute many hours per year to assist the Foundation in carrying out its activities. Due to the difficulty of determining their fair value, contributed services are not recognized in the financial statements.</p>
Cash and Cash Equivalents	Cash and cash equivalents include cash and cashable guaranteed investment certificates.
Harmonized Sales Tax	The Foundation received the public service bodies' rebate of 50% of the federal portion of the HST paid and 82% of the provincial portion of the HST paid in Ontario.
Foreign Currency Translation	Foreign currency transactions are translated at the rates of exchange in effect at the dates of the transaction. Resulting foreign currency denominated monetary assets and liabilities are translated at the rates of exchange in effect at the balance sheet date. Gains and losses on translation of monetary assets and liabilities are included in investment income.

KidsAbility Centre for Child Development Foundation Notes to Financial Statements

March 31, 2020

2. Change in Accounting Policy

Effective April 1, 2019, the Foundation changed its accounting policy for the treatment of unrealized gains and losses on investments. Previously, the Foundation recognized the unrealized gains and losses in the Internally Restricted Fund. The unrealized gains and losses are now allocated to the fund that holds the investment when incurred. Management believes that this policy provides reliable and more relevant information regarding the fair value of the assets held in the funds. This change in accounting policy has been accounted for retrospectively. The opening balances of the restricted funds have been updated accordingly. This change in accounting policy had no effect on the prior year Statement of Operations.

3. Cash and Cash Equivalents

The Foundation's bank accounts are held at one chartered bank. The bank account earns interest at a nominal rate.

The Foundation cash and cash equivalents includes the following:

	<u>2020</u>	<u>2019</u>
Scotiabank GIC, 1.45 - 1.90%, cashable	\$ 879,679	\$ 72,628
Cash in bank	382,039	218,700
	<u>\$ 1,261,718</u>	<u>\$ 291,328</u>

4. Interfund Balances

Interfund balances are interest-free with no fixed terms of repayment.

KidsAbility Centre for Child Development Foundation
Notes to Financial Statements

March 31, 2020

5. Investments

The fair value of investments are comprised of the following:

	2020	2019
Equities - Canadian	\$ 2,702,499	\$ 3,072,083
Equities - United States	2,963,860	3,027,790
Equities - International	457,302	729,756
Fixed income and bonds	6,071,948	5,561,286
Mutual funds	-	948,672
Cash	1,149,232	499,171
Other	35,740	-
	13,380,581	13,838,758
Less: Investment income receivable	-	(3,920)
	\$13,380,581	\$ 13,834,838

Investments held in fixed income and bonds earn interest ranging from 2.35% to 4.93% per annum, with maturity dates between June 2020 and September 2029. Investment income is shown net of investment related fees of \$62,201 (2019 - \$75,946).

As at March 31, 2020, investments included a cumulative unrealized loss of \$91,955 (2019 - a gain of \$1,182,300).

6. Due to KidsAbility Centre for Child Development

The amounts due to KidsAbility are due on demand and are unsecured. The amount relates to repayment of shared expenses.

7. Deferred Contributions

	2020	2019
Balance, beginning of year	\$ 44,474	\$ 48,856
Contributions	146,163	44,474
Amounts amortized into revenue	(44,474)	(48,856)
	\$ 146,163	\$ 44,474

KidsAbility Centre for Child Development Foundation Notes to Financial Statements

8. Rotary Clubs

Included in donation revenue are donations from the following:

	2020		2019
Rotary Waterloo	\$ 43,859	\$	32,852
Rotary Clubs of Cambridge Superhero Run	34,841		35,279
Kitchener Rotary Club	29,000		35,000
Rotary Club of Kitchener-Grand River	40,000		40,000
Rotary Club of Kitchener-Westmount	30,000		30,000
Rotary Club of Fergus-Elora	2,900		4,840
Rotary Club of Guelph	6,430		10,000
Rotary Club of Guelph Trillium	-		2,000
Rotary Club of Cambridge (Preston-Hespeler)	1,600		18,000
Rotary Club of Kitchener - Conestoga	2,700		-
	\$ 191,330	\$	207,971

9. Community Foundations

Certain endowment funds owned by Community Foundations and held in perpetuity for the benefit of KidsAbility Centre for Child Development Foundation are excluded from these financial statements. Available investment income from these funds is received periodically when granted by the Community Foundations.

The market values of these funds are as follows:

	2020		2019
The Kitchener and Waterloo Community Foundation	\$ 813,738	\$	860,946
Cambridge & North Dumfries Community Foundation	99,810		105,531
The Guelph Community Foundation	27,528		26,037
	\$ 941,076	\$	992,514

Investment income received during the year are as follows:

	2020		2019
The Kitchener and Waterloo Community Foundation	\$ 34,700	\$	32,400
Cambridge & North Dumfries Community Foundation	1,350		3,250
The Guelph Community Foundation	963		595
	\$ 37,013	\$	36,245

KidsAbility Centre for Child Development Foundation Notes to Financial Statements

March 31, 2020

10. Donations to KidsAbility Centre for Child Development

A portion of the donation made to the Centre has been designated to be paid to the KidsAbility School Authority as follows:

	2020	2019
Designated donation to KidsAbility Centre for Child Development	\$ 1,699,600	\$ 2,607,883
Designated donation to KidsAbility School Authority	12,250	14,660
	\$ 1,711,850	\$ 2,622,543

11. Interfund Transfers

The Board of Directors approved the transfer of funds between the operating and internally restricted funds as follows:

	Operating Fund	Income Stabilization Fund	Internally Restricted Fund	Externally Restricted Fund
Transfer of bequests to internally restricted fund	\$ (400,718)	\$ -	\$ 400,718	\$ -

12. Financial Instruments

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. Financial instruments which potentially subject the Foundation to concentrations of credit risk consist of cash and cash equivalents and long-term investments and the related interest receivable. The Foundation has deposited the cash and investments with reputable financial institutions, from which management believes the risk of loss to be remote.

Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

KidsAbility Centre for Child Development Foundation Notes to Financial Statements

March 31, 2020

12. Financial Instruments (continued)

Currency Risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Foundation has a diversified investment portfolio which includes foreign equities.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Foundation is exposed to interest rate risk on its fixed and floating interest rate financial instruments. Fixed-interest instruments subject the Foundation to a fair value risk while the floating rate instruments subject it to a cash flow risk. A portion of the Foundation's investments bear interest at floating rates. Fluctuations in these rates will impact the investment income received in the future.

Other Price Risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Foundation is exposed to this risk through its equity holdings within its investment portfolio.

13. Uncertainty due to Global Pandemic

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Foundation's financial condition, liquidity, and future results of operations. Management is actively monitoring the global situation on its financial condition, liquidity, operations, suppliers, industry, and workforce. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the Foundation is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity at this time.
