

## What Should My Child Be Doing?

Age – 6 Months

Here are some things that your child should be doing every day:

- looks to sounds and voices
- is surprised by loud noises
- cries in many ways when hungry, tired or in pain
- smiles and laughs when you do
- tries to get your attention
- reaches for things and people
- makes lots of sounds – by 6 months makes sounds like “ma”, “da”, “ba”
