

Let's Play Together...

Have Fun, Connect and Wonder, Pause and Wait

Relational Play

I like it when we play together...
Let's make some noise!

Relational play is all about having fun!

- Let me explore how things go together
- Show me how it's done

I might like some of these ideas:

- Stacking rings on top of each other
- Putting toys in a bucket
- Banging two Pots/lids together
- Putting nesting cups inside one another

Playing with You is important to me!

- I learn about my world
- I learn how things go together
