

*Staying Safe When
We Go Out
Social Story*

Sometimes, we go out. We might go to the store, or to a restaurant, or to the library. It's fun to visit these places and I am learning what to do to stay safe when we are out.

When we go out in the car, I sit in my seat and I wear my seatbelt. It's important to wear my seatbelt so I stay safe while we are driving. When ----- parks the car, they will tell me when it's safe to take my seatbelt off.

When we get out of the car, I wait for _____ to open my door
and tell me that it's safe to get out.

When we're walking in a parking lot, I hold _____'s hand and stay close to them.

When we cross the street, I hold _____'s hand and wait for them to tell me that it's safe to cross.

When we get inside, I stay close to _____ so they know where I am.

_____ will tell me when it's time to leave. When it's time to go, I listen to _____ and walk with them to the door.

I put my seatbelt on on the way home so I can be safe while we are driving.

It's fun to go out and visit new places! I know how to stay safe when we go out.
